Outcome 2: CHILDREN ARE CONNECTED WITH AND CONTRIBUTE TO THEIR WORLD

Respond to diversity with respect

OUTCOME 2.1: CHILDREN ARE CONNECTED WITH AND CONTRIBUTE TO THEIR WORLD

Children develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation

Smoking Ceremony

They showed us some aboriginal artifacts & tools they used to use.

Today at the school the kindergarten was invited to an Aboriginal Corroboree.

Shannon joined in with some of the school girls in the dance as a emus.

"Welcome Dance"

The boys danced different dances with different animals steps - kangaroo, emu, whale, hovering bird, fish.

We were part of the Smoking Ceremony and welcome to country.

When we got back to kindergarten the children practised some of the animal moves.
