

using a palette to mix our own colour with to paint with

using mosaic tiles to make tessellating patterns

learning about the life cycle of a Silk Worm

using pipettes to mix colours

- to strengthen fine motor skills

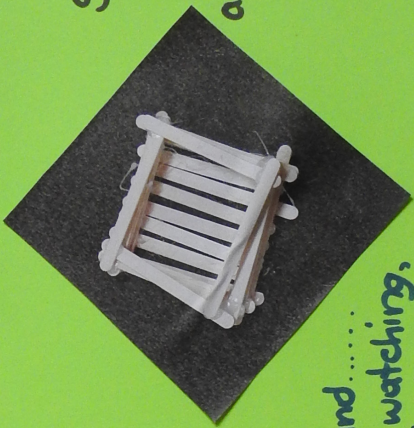

THIS TERM AT ALDGATE KINDY

All the different ways to tell a story

hot glue guns to persist and build a box

and..... bird watching, digging - to the bottom of the sand pit, plant identification, and.....

Since the jobs that our preschoolers will do probably don't exist yet, our priority is to teach them the skills to adapt and inquire and question and cooperate... life skills. So much more useful than rigid concepts such as the alphabet.

- Caroline Bellouse

listening to our body and knowing when it needs some quiet time.

making our own sticky paper

and paint.
