

Today we asked the children: "How could we get a message to someone in Perth?"

Answers: by phone, use the computer, text them, walk there!

Annie said put it in an envelope.

Outcome 4.4: CHILDREN BECOME CONFIDENT AND INVOLVED LEARNERS

Children resource their own learning through connecting with people, place, technologies and natural and processed materials

We put the message in an envelope. We wrote the address. We talked about stamps.

Then we all went for a walk to the post box near kindy.
